DEVASTATOR 3 RGB

SGB-3000-KKMF4- **

DEVASTATE THE COMPETITION

The DEVASTATOR 3 RGB Combo offers a fully-featured gaming keyboard and mouse set that ensures you look like a legend on and off the battlefield. The keyboard has all the signature reliability and durability of Cooler Master, with dedicated media keys and improved 6-zone RGB backlighting for the flashy good looks you deserve after upping your K/D ratio. In addition, the mouse has a solid optical sensor with adjustable DPI to help you extend your killstreaks regardless of your class -- and 5-zone RGB for the classy-cool customizations to your victory celebrations. When you're victorious against the competition, the DEVASTATOR 3 RGB lets you celebrate in style.

FEATURES

- **Dedicated Media Keys** – Play, pause, and volume control is just a convenient keypress away
- **Optical Sensor with Adjustable DPI** - Adjust your DPI on-the-fly with seven programmed levels up to 4800
- **RGB Illumination** – 6-zone RGB illumination on the keyboard with 5-zone RGB on the mouse to illuminate your victories
- **On-the-fly Control** – Make real-time adjustments to lighting or access media controls with no software necessary
- **Ambidextrous Mouse Design** - Optimized for right-handers with two side buttons, but comfortable for all
- **26-Key Rollover** - Ensure every press is registered so you don't get killed over equipment that can't keep up
